

Save on popular, **brand-name GLP-1s** with GoodRx

O'Neal Industries, Inc. has partnered with GoodRx to help you save on effective weight loss treatments, including brand-name GLP-1s.

- ✓ Accepted at 70,000 retail pharmacy locations
- ✓ Home delivery options are available
- ✓ Only FDA-approved medications
- ✓ Easy to use online experience

\$100/mo

Your employer is covering part of the cost.

With an employer-sponsored subsidy, you pay a special, discounted price at the pharmacy — not through your health insurance.

Start your weight loss journey today

1

Create your account

Visit the activation link and set up a GoodRx account using your Employer Code and Participant ID.

2

Confirm eligibility

Use your Participant ID during signup to confirm eligibility for you and your dependents. You will be able to confirm your eligibility once the program launches on 1/1/2027.

3

Save at the pharmacy

Present your membership card at the pharmacy to pay the discounted price on your prescription.

YOUR 6-DIGIT EMPLOYER CODE

O N I N D 1

Participant ID: Your employer will provide a Participant ID that you and your dependents use during signup to confirm eligibility. Have a dependent? Please have them enter your Participant ID during sign-up. Questions? Contact your benefits team to learn more about how to activate your account.

GoodRx is NOT insurance.

Participants must follow the instructions to access the employer-sponsored savings. Participants who already have a weight loss subscription account with GoodRx must set up an additional account using their unique Employer Code and Participant ID information under this program in order to access this program's savings. Interfaces, codes, and prices are illustrative and subject to change.
